

Bahan Binaan

Keputusan Yang Kukuh Untuk Akhiri 2024; Kekal WAJARAN TINGGI

- Saranan WAJARAN TINGGI dikekalkan; Saham Pilihan Utama: Press Metal (PMAH).** Keputusan sektor untuk 4Q24 dilihat melangkaui jangkaan, dengan margin yang semakin berkembang menyokong pertumbuhan perolehan digit berganda untuk PMAH dan juga Malayan Cement (LMC). Kami terus memandangi positif akan sektor-sektor simen dan aluminium disebabkan oleh dinamik bekalan dan permintaan yang menguntungkan. Hal ini seterusnya menyokong paras harga sambil meredakan tekanan kos.
- Rumusan keputusan 4Q24.** PMAH dan LMC kedua-duanya mencatat keputusan mengatasi jangkaan. Perolehan teras 4Q24 oleh PMAH berjumlah MYR446j (-6% QoQ, +36% YoY) menjadikan perolehan FY24 sebanyak MYR1,853j (+50% YoY). Prestasi suku tahun yang lebih lemah QoQ sebahagiannya berpunca daripada kapasiti pengeluaran lebih rendah akibat kejadian kebakaran yang berlaku di kilang peleburannya pada Sep 2024, dan juga kerana kenaikan harga alumina yang menguncupkan margin. Namun begitu, hal ini sebahagiannya ditutupi oleh sumbangan syarikat sekutu yang lebih tinggi, seiring dengan harga alumina lebih mahal. Sementara itu, untung teras LMC untuk 2QFY25 (Jun) bernilai MYR159.8j (+11% QoQ, +30% YoY) membawa untung teras 1HFY25 kepada MYR304.3j (+40% YoY). Prestasi lebih kukuh ini didorong oleh operasi yang lebih cekap dan permintaan lebih tinggi untuk konkrit siap bancuh, meskipun hasil menaik pada kadar kecil iaitu 0.7% YoY pada 1HFY25 oleh sebab jualan simen lebih rendah. Selepas keputusan diumumkan, kami tingkatkan perolehan FY25F-26F PMAH sebanyak 6% selepas menyemak semula sumbangan syarikat sekutu dan andaian harga LME, dan kami menaikkan perolehan LMC untuk FY25F sebanyak 8% selepas meminda andaian kos kami.
- Gambaran untuk aluminium.** Pelaksanaan tarif import AS sebanyak 25% yang diusulkan tidak memberikan kesan langsung yang besar kepada PMAH kerana jumlah jualan ke rantau tersebut adalah rendah (1% daripada hasil FY24). Sementara itu, harga LME kekal stabil dengan menaik 5.5% YTD kepada USD2,665/tan memandangkan bekalan keseluruhan dunia masih terhad ketika berlakunya kelewatan dalam mempertingkatkan operasi peleburan baharu akibat kos semakin tinggi. Premium AS-Midwest sudah naik hampir dua kali ganda hingga mencecah paras tertinggi dalam sejarah iaitu USD920/tan (+86% YTD) susulan pengumuman pelaksanaan tarif tersebut, manakala premium Pelabuhan Utama Jepun meningkat 11% akibat potongan pengeluaran. Premium Eropah sebaliknya dilihat menurun (-2%) oleh sebab kebimbangan yang timbul mengenai kemasukan bekalan aluminium dari Kanada ke dalam pasaran. Dari segi kos, harga alumina sudah menyusut 30% YTD apabila risiko rantai bekalan mereda, dan hal ini patut menyokong pengembangan margin PMAH pada FY25.
- Gambaran untuk simen.** Harga simen pukal sudah menstabil dan terus kekal pada paras MYR380/tan sejak Jul 2023. Kami meramalkan ia akan terus stabil memandangkan permintaan dijangka diterima daripada projek-projek penting seperti Transit Aliran Ringan (LRT) Pulau Pinang, Lebuhraya Span Ipoh Barat, dan pembinaan lima stesen LRT Laluan 3 yang bakal dilaksanakan semula, selain permintaan kukuh untuk projek-projek perindustrian dan pembangunan hartanah. Harga arang batu juga telah susut 16% YTD, lalu meredakan tekanan kos untuk pengeluaran-pengeluaran simen. Walaupun kontrak bekalan simen LMC untuk Rangkaian Kereta Api Pantai Timur (ECRL) Fasa 1 tamat pada tahun 2024, pihak pengurusan memberikan bayangan yang ia masih membekalkan simen untuk Fasa 2, walaupun tanpa kontrak eksklusif.
- Risiko negatif utama** termasuk kos bahan mentah lebih tinggi melepasi jangkaan dan keadaan ekonomi dunia merosot dengan mendadaknyanya sehingga menjejaskan kegiatan pembinaan dan melemahkan permintaan untuk aluminium dan simen.

[Building Materials : Strong Set Of Results To End 2024: Still OVERWEIGHT \(7 Mac 2025\)](#)

Rajah 1: Prestasi sukuan berbanding anggaran

Stocks	Results review (released for Dec 2024 quarter)	Remarks	Results period	FYE
Malayan Cement	Within	2QFY25 (Jun) core profit of MYR159.8m (+11% QoQ, +30% YoY) led to a 1H FY25 core profit of MYR304.3m (+40% YoY). This is ahead of expectations of our and Street estimates at 58-61%. 2QFY25 revenue was largely stable at MYR1.2bn (-2% QoQ, -1% YoY) as sales volume remained resilient. Net margin rose to 13.9% (1QFY25: 12.3%, 2QFY24: 10.6%) from improved operational efficiencies and lower borrowing costs.	2QFY25	Jun
Press Metal	Above	4Q24 core earnings of MYR446m (-6% QoQ, +36% YoY) brought FY24 earnings to MYR1,853m (+50% YoY). This is above expectations of our and Street estimates at 105% and 110%. 4Q24 revenue dropped 6% QoQ, partly due to the lower production capacity in the quarter following the fire incident at its Samalaju Phase 3 smelting plant in Sep 2024, and EBITDA margin declined to 16.3% (3Q24: 16.9%) as alumina prices peaked in the quarter. The group's stake in Bintan Alumina formed a natural hedge to the higher alumina prices as associate contribution improved 13% QoQ. In FY24, revenue grew 8% YoY from higher ASP, boosted by a greater demand for value-added products, and net margin expanded to 12.4% (FY23: 9%) from the better smelting margin and higher associates' contribution. A fourth interim DPS of 1.75 sen was declared, bringing the full-year DPS to 7 sen.	4Q24	Dec

Panduan RHB untuk Penarafan Pelaburan

Beli:	Harga saham mungkin melebihi 10% dalam 12 bulan seterusnya
Beli Jangka Pendek:	Harga saham mungkin melebihi 15% dalam 3 bulan seterusnya, tetapi prospek jangka panjang kekal tidak menentu.
Neutral:	Harga saham mungkin jatuh dalam julat +/- 10% dalam 12 bulan
Ambil Untung :	Harga sasaran sudah tercapai. Sedia untuk kumpul pada aras lebih rendah.
Jual:	Harga saham mungkin jatuh lebih daripada 10% dalam 12 bulan seterusnya
Tiada saranan:	Saham di luar lingkungan kajian biasa

RHB Guide to Investment Ratings

Buy:	Share price may exceed 10% over the next 12 months
Trading Buy:	Share price may exceed 15% over the next 3 months, however longer-term outlook remains uncertain
Neutral:	Share price may fall within the range of +/- 10% over the next 12 months
Take Profit:	Target price has been attained. Look to accumulate at lower levels
Sell:	Share price may fall by more than 10% over the next 12 months
Not Rated:	Stock is not within regular research coverage

Investment Research Disclaimers

RHB has issued this report for information purposes only. This report is intended for circulation amongst RHB and its affiliates' clients generally or such persons as may be deemed eligible by RHB to receive this report and does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. This report is not intended, and should not under any circumstances be construed as, an offer or a solicitation of an offer to buy or sell the securities referred to herein or any related financial instruments.

This report may further consist of, whether in whole or in part, summaries, research, compilations, extracts or analysis that has been prepared by RHB's strategic, joint venture and/or business partners. No representation or warranty (express or implied) is given as to the accuracy or completeness of such information and accordingly investors should make their own informed decisions before relying on the same.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to the applicable laws or regulations. By accepting this report, the recipient hereof (i) represents and warrants that it is lawfully able to receive this document under the laws and regulations of the jurisdiction in which it is located or other applicable laws and (ii) acknowledges and agrees to be bound by the limitations contained herein. Any failure to comply with these limitations may constitute a violation of applicable laws.

All the information contained herein is based upon publicly available information and has been obtained from sources that RHB believes to be reliable and correct at the time of issue of this report. However, such sources have not been independently verified by RHB and/or its affiliates and this report does not purport to contain all information that a prospective investor may require. The opinions expressed herein are RHB's present opinions only and are subject to change without prior notice. RHB is not under any obligation to update or keep current the information and opinions expressed herein or to provide the recipient with access to any additional information. Consequently, RHB does not guarantee, represent or warrant, expressly or impliedly, as to the adequacy, accuracy, reliability, fairness or completeness of the information and opinion contained in this report. Neither RHB (including its officers, directors, associates, connected parties, and/or employees) nor does any of its agents accept any liability for any direct, indirect or consequential losses, loss of profits and/or damages that may arise from the use or reliance of this research report and/or further communications given in relation to this report. Any such responsibility or liability is hereby expressly disclaimed.

Whilst every effort is made to ensure that statement of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable and must not be construed as a representation that the matters referred to therein will occur. Different assumptions by RHB or any other source may yield substantially different results and recommendations contained on one type of research product may differ from recommendations contained in other types of research. The performance of currencies may affect the value of, or income from, the securities or any other financial instruments referenced in this report. Holders of depositary receipts backed by the securities discussed in this report assume currency risk. Past performance is not a guide to future performance. Income from investments may fluctuate. The price or value of the investments to which this report relates, either directly or indirectly, may fall or rise against the interest of investors.

This report may contain comments, estimates, projections, forecasts and expressions of opinion relating to macroeconomic research published by RHB economists of which should not be considered as investment ratings/advice and/or a recommendation by such economists on any securities discussed in this report.

This report does not purport to be comprehensive or to contain all the information that a prospective investor may need in order to make an investment decision. The recipient of this report is making its own independent assessment and decisions regarding any securities or financial instruments referenced herein. Any investment discussed or recommended in this report may be unsuitable for an investor depending on the investor's specific investment objectives and financial position. The material in this report is general information intended for recipients who understand the risks of investing in financial instruments. This report does not take into account whether an investment or course of action and any associated risks are suitable for the recipient. Any recommendations contained in this report must therefore not be relied upon as investment advice based on the recipient's personal circumstances. Investors should make their own independent evaluation of the information contained herein, consider their own investment objective, financial situation and particular needs and seek their own financial, business, legal, tax and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

This report may contain forward-looking statements which are often but not always identified by the use of words such as "believe", "estimate", "intend" and "expect" and statements that an event or result "may", "will" or "might" occur or be achieved and other

similar expressions. Such forward-looking statements are based on assumptions made and information currently available to RHB and are subject to known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement to be materially different from any future results, performance or achievement, expressed or implied by such forward-looking statements. Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

The use of any website to access this report electronically is done at the recipient's own risk, and it is the recipient's sole responsibility to take precautions to ensure that it is free from viruses or other items of a destructive nature. This report may also provide the addresses of, or contain hyperlinks to, websites. RHB takes no responsibility for the content contained therein. Such addresses or hyperlinks (including addresses or hyperlinks to RHB own website material) are provided solely for the recipient's convenience. The information and the content of the linked site do not in any way form part of this report. Accessing such website or following such link through the report or RHB website shall be at the recipient's own risk.

This report may contain information obtained from third parties. Third party content providers do not guarantee the accuracy, completeness, timeliness or availability of any information and are not responsible for any errors or omissions (negligent or otherwise), regardless of the cause, or for the results obtained from the use of such content. Third party content providers give no express or implied warranties, including, but not limited to, any warranties of merchantability or fitness for a particular purpose or use. Third party content providers shall not be liable for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including lost income or profits and opportunity costs) in connection with any use of their content.

The research analysts responsible for the production of this report hereby certifies that the views expressed herein accurately and exclusively reflect his or her personal views and opinions about any and all of the issuers or securities analysed in this report and were prepared independently and autonomously. The research analysts that authored this report are precluded by RHB in all circumstances from trading in the securities or other financial instruments referenced in the report, or from having an interest in the company(ies) that they cover.

The contents of this report is strictly confidential and may not be copied, reproduced, published, distributed, transmitted or passed, in whole or in part, to any other person without the prior express written consent of RHB and/or its affiliates. This report has been delivered to RHB and its affiliates' clients for information purposes only and upon the express understanding that such parties will use it only for the purposes set forth above. By electing to view or accepting a copy of this report, the recipients have agreed that they will not print, copy, videotape, record, hyperlink, download, or otherwise attempt to reproduce or re-transmit (in any form including hard copy or electronic distribution format) the contents of this report. RHB and/or its affiliates accepts no liability whatsoever for the actions of third parties in this respect.

The contents of this report are subject to copyright. Please refer to Restrictions on Distribution below for information regarding the distributors of this report. Recipients must not reproduce or disseminate any content or findings of this report without the express permission of RHB and the distributors.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link [RHB Research Conflict Disclosures - Feb 2025](#) and to the best of our knowledge, RHBIB hereby declares that:
