## WHA Corp (WHA TB)

**Buy** (Maintained)

### Aiming To Maintain High-Base Earnings Level; BUY

Target Price (Return): THB5.55 (5.7%)  
 Price (Market Cap): THB5.25 (USD2,202m)  
 ESG score: 3.2 (out of 4)  
 Avg Daily Turnover (THB/USD) 308m/8.47m

- **Maintain BUY and SOP-based THB5.55 TP (6% upside) with c.3% yield.** WHA Corp is attempting to mitigate the impact of its lower-than-planned 4Q24 asset monetisation measures, on its FY24 earnings. We believe the company is likely to maintain its high-base earnings level in FY24.
- **1H24 industrial land sales on par with major competitor.** Although WHA saw weaker QoQ industrial land sales of 420 rai (Thailand to Vietnam ratio: 412:8) in 2Q24 compared to 630 rai in 1Q24, it was able to bring 1H24 industrial land sales to 1,050 rai, which is comparable to the 1,061 rai sold in both countries by WHA's biggest competitor. Similar to other industry players, WHA's industrial land plots saw solid demand from the electronics sector. However, demand from the EV battery sector for WHA's industrial land plots proved to be its key differentiating feature from its peers.
- **Solid momentum to continue in 2H24.** WHA's 1H24 sales achievement appears to be satisfactory, accounting for 46% of its full-year target. Note that its FY24 industrial land sales target is unchanged at 2,275 rai (Thailand:Vietnam at 1,650:625). This implies that WHA may achieve its FY24 target, based on the current FDI inflows. In 2H24, the company is in negotiations with high-technology clients, especially within the data centre business, which require large-lot land plots totalling almost 800 rai.
- **2Q24 earnings to weaken QoQ.** We expect 2Q24 net profit to decline QoQ to THB996m (+15% YoY, -27% QoQ) as there were fewer industrial land transfers in 2Q24 (2Q24: 340 rai, 1Q24: 581 rai). Conversely, higher GPM of 54.4% resulting from a 5% YoY upward revision of industrial land plot ASPs and stronger profit-sharing from associate companies (especially due to lower natural gas cost in its subsidiary's electricity business and higher sales volumes of industrial water in Thailand and Vietnam) contributed to YoY growth, although 2Q24 core revenue flattened QoQ.
- **Maintain our expectation of flat FY24 earnings YoY.** Due to the absence of asset monetisation measures in 4Q24, owing to the sales of warehouse and factory rental spaces into the WHA Premium Growth REIT (WHART TB, NR), we expect the company to speed up the selling and transferring of its industrial land plots in order to mitigate the negative impact. Our 1H24 earnings estimate of +70% YoY accounts for 54% of our full-year estimate.
- **ESG.** Our ESG score for WHA remains at 3.2, which is also the country median score. Therefore, our THB5.55 TP includes a 0% ESG premium/discount.

#### Overall ESG Score: 3.2 (out of 4)

##### E: GOOD

WHA aims to achieve sustainable operations, and emphasises on a practical environmental management system. This includes the active management and monitoring of key environmental parameters including biodiversity responsibility, wastewater quality, waste disposal, emissions and resource conservations. These are the key parameters based on the nature of WHA Group's operations in connection with customers, suppliers and surrounding communities, as well as the ability to influence its business operations.

##### S: GOOD

WHA has complied with and endorsed WHA Corporate Values as an essential foundation for employees throughout the four business hubs. Human rights due diligence was conducted to assess human rights-related risks, which led to the development of the group's human rights policy. The company puts much importance on anti-discrimination throughout its operations, and promotes workforce diversity at both management and staff levels. It also realises that a low employee turnover rate helps to maintain productivity and retain experienced talent.

##### G: EXCELLENT

WHA Group aligns its good corporate governance management approach with national guidelines developed by the Stock Exchange of Thailand, as well as international approaches such as the United Nations Global Compact

<b>Valuation basis</b>						
We use the SOP approach to value:						
i. Core businesses excluding businesses operated by WHA Utilities & Power, property fund, and REITs based on P/E;						
ii. WHA Utilities & Power based on RHB's TP;						
iii. Property fund based on market price;						
iv. REITs based on NAV.						
<b>Key drivers</b>						
i. Successful implementation of the EEC initiative;						
ii. Business expansion into other ASEAN countries;						
iii. Ongoing monetisation plan to unlock asset value.						
<b>Key risks</b>						
i. Stagnant FDI inflows into Thailand;						
ii. Delays in launching new overseas projects;						
iii. Delays in launching new EEC-related infrastructure projects to curb FDI investor confidence.						
<b>Company Profile</b>						
WHA is the leader in one-stop services that cover all customer demands related to logistics properties. This is classified into four businesses: logistics, industrial development, utilities & power, and digital platforms. The company has set a clear policy to sell its assets into REITs or a property fund. This is an additional source of funds for its real estate development business.

Latest ESG-Related Developments

- WHA has been able to achieve carbon neutrality since FY21. However, the group is still committed to reducing its environmental impact and supporting climate change solutions. It aims to achieve net-zero greenhouse gas (GHG) emissions by FY50 according to Science-based Targets Initiative (SBTi) guidelines.
- The group aims to: i) Reduce its GHG emissions in project development and building construction, according to the concept of efficient use of resources, ii) reduce energy use from high GHG-emitting sources, and iii) promote the use of renewable energy.
- It can achieve its target by installing and distributing electricity generated from renewable sources at 300MW in FY23. WHA's well-known management of climate change solutions has been the installation service of solar rooftops promoted to the clients within its projects.

This report has been delivered to RHB and its affiliates' clients for information purposes only and upon the express understanding that such parties will use it only for the purposes set forth above. By electing to view or accepting a copy of this report, the recipients have agreed that they will not print, copy, videotape, record, hyperlink, download, or otherwise attempt to reproduce or re-transmit (in any form including hard copy or electronic distribution format) the contents of this report. RHB and/or its affiliates accepts no liability whatsoever for the actions of third parties in this respect.

The contents of this report are subject to copyright. Please refer to Restrictions on Distribution below for information regarding the distributors of this report. Recipients must not reproduce or disseminate any content or findings of this report without the express permission of RHB and the distributors.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

## RESTRICTIONS ON DISTRIBUTION

### Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

### Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities

(Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

#### Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

#### Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

#### United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

#### DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
