- **Keep BUY and MYR2.80 TP (35% upside), c.6% yield.** Kerjaya Prospek has proposed to acquire three parcels of freehold land at Jalan Puchong in Kuala Lumpur via three separate sale and purchase agreements (SPAs) for a cumulative consideration of MYR112.8m. It also entered into a JV and subscription and shareholders' agreement with Aspen Vision Tanjung (AVT) to jointly develop two freehold land parcels measuring 4.5 acres in Tanjung Bungah, Penang into a mixed development with serviced apartments, residential components, retail units, and office blocks.
- **For the Jalan Puchong deal,** the first 3.9 acre land is to be purchased from Sunrise Bright City for MYR59.1m. Another two land parcels (1.7 and 1.8 acres) will be acquired from Top Up Properties for MYR53.7m. The price per sq ft of c.MYR350 is deemed fair, as transactions for surrounding areas ranged between MYR300 and MYR417 per sq ft. The land parcels are located in established areas with access to major highways including Lebuhraya Shah Alam, the Federal Highway, and Lebuhraya Damansara-Puchong. Completion for the acquisition is expected by September.
- **The JV with AVT** will see the establishment of a special purpose vehicle called Tanjung Bungah Development (TBD), with KPG's subsidiary holding 60%, while the rest is held by AVT. The 4.5 acre land parcels carry a total consideration of MYR117m, comprising MYR105m in cash and MYR12m via in-kind property units. TBD will reimburse AVT a total of MYR60m (as AVT has paid MYR53m and incurred MYR7m in pre-development costs), of which MYR4m will be converted into AVT's share capital in TBD, and MYR56m will be recognised as advances. TBD will also assume responsibility for the balance MYR52m cash payment via bank borrowings and/or internal resources. Completion of the deal is expected by December.
- **KPG could utilise its net cash pile** of MYR316.7m (as of end 1Q25) to fulfil these deals (in Penang and Jalan Puchong), which have a total consideration of MYR224.8m. Taking into account these deals, together with other developments such as Rivani Ventures (in Seberang Perai Tengah) and a 49% stake in Aspen Vision Land (in Batu Kawan), we estimate that KPG has c.83 acres of land to develop with a potential GDV of at least MYR7bn.
- **No changes to earnings estimates** pending further details (ie GDV) and completion of the deal. We maintain our SOP-derived MYR2.80 TP, which includes a 2% ESG premium. We view the stock's FY26F P/E of 13x to be undemanding vs the Bursa Malaysia Construction Index's P/E of 16-17x during the 2017 construction upcycle (in the absence of data centres). A rerating catalyst would be wins of new industrial jobs in FY25, as the last industrial job was secured in Oct 2022. Downside risks: Property market slowdown and prolonged cost pressures.

## RESTRICTIONS ON DISTRIBUTION

### Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

### Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any

Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

## Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

## United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

## DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
