Neutral (from Buy)

Target Price (Return): IDR3,780 (3.8%) Price (Market Cap): IDR3,640 (USD1,979m) ESG score: 3.40 (out of 4)

Avg Daily Turnover (IDR/USD)

27,191m/1.90m

- D/G NEUTRAL from Buy with higher GGM-based IDR3,780 TP from IDR3,500, 4% upside. Share price has rallied 54% in the last three months, and our new TP has factored in an 8% premium based on our proprietary in-house ESG methodology, which derives a 3.40 score. 3Q21 earning came in at IDR326bn, in line with expectations. Despite stable nonperforming financing (NPF), provision expenses were raised 67.6% QoQ, which caused coverage ratio to rise to 281%. A mobile banking platform will
- Robust 9M21 earnings in line. 3Q21 net profit came in at IDR326bn (-17.5% QoQ, +226% YoY), causing 9M21 earnings to jump 116% YoY to IDR1.1trn, in line with 77% and 76% of our and Street's full-year estimates. Despite July and August's slower economic growth during the pandemic's peak, 3Q21 PPOP was still maintained at IDR652bn (-0.2% QoQ, +28.9% YoY), driven by lower cost of funds or CoF and well-managed operational costs. Although 3Q21 NPF was stable at 2.4% (2Q21: 2.4%, 3Q20: 1.9%), BTPN Syariah increased provision expenses 67.6% QoQ (-37.4% YoY) to IDR236bn. This was the main reason for the lower QoQ earnings.

be launched soon to penetrate new segments and expand CASA.

- Robust CASA growth likely to sustain. BTPS plans to strengthen its position in the micro segment - via a digital-based platform - to boost CASA. The relaxation of people activity restrictions should allow its agents to explore new markets. At end September, BTPS served 6m customers (4m active ones), which cover 236,000 communities in 2,600 sub-districts one of Indonesia's largest micro customer base. During this period, CASA ratio increased to 24.8% (June: 21.4%, Sep 2020: 21.4%) as low-cost savings increased to IDR2.6trn (+16.1% QoQ, +33.2% YoY). This lowered 3Q21 CoF to 3.7% (2Q21: 4.2%, 3Q20: 5.3%).
- Upgraded digital platform to soft launch in December. BTPS is to launch a mobile banking platform with provided e-channel services to allow customers to do banking transactions via mobile devices. Upcoming features include electronic Know Your Customer or e-KYC, third-party withdrawals, Quick Response Code Indonesia Standard or QRIS, and more biller partners. This advanced digital platform should ease the pressure on BTPS agents in securing new untapped customers.
- Increased TP on premium ESG. Our GGM-based TP is raised slightly to IDR3,780 after factoring in an 8% premium based on our proprietary inhouse ESG methodology, from which we derive 3.40 score. Our new TP implies 3x FY22F P/BV. BTPS is offering 25% ROE in 2022.
- Key risks on our call. Upside risk: Successful digital platform launch that attracts low-cost savings and micro loans. Downside risks: A macroeconomic downturn and deterioration in asset quality.

Overall ESG Score: 3.40 (out of 4)

E: EXCELLENT

BTPS is fully committed, together with the global community, to support the attainment of the various sustainable goals in the environment sector as formulated in the United Nation's Sustainable Development Goals. The bank is implementing this commitment in line with its main customer segment, which has a need for information on the environment in their daily lives.

S: EXCELLENT

BTPS is fully committed to implementing equal opportunities for all employees to grow optimally according to their potential, regardless of their ethnicity, race, age, religion, and gender. Consistent implementation of the principle of equality is included in this year's report, which shows zero discrimination against ethnicity, race, religion, and gender at all levels of the bank.

G: EXCELLENT

The governance structure of BTPS refers to the prevailing regulations on Good Corporate Governance implementation, which has become a reference for all employees in conducting their duties and responsibilities by constantly observing all legal corridors. It also acts in with the principles of prudence and accordance compliance.

BTPS IJ Neutral

Valuation basis

We use GGM to derive our TP:

- i. CoE: 14%;
- ii. Sustainable ROE: 20%;
- iii. Sustainable SGR: 12%.

Key drivers

- i. Financing growth on customer mix;
- ii. Lower funding cost;
- iii. Operating efficiency (lower CIR).

Key risks

Upside risk: Successful digital platform launch that attracts low-cost savings and micro loans.

Downside risks:

- i. Macroeconomic downturn;
- ii. Deterioration in asset quality.

Company Profile

BTPS is a subsidiary of SMBC Group-backed Bank BTPN that is focused on micro segment "productive poor" financing — this caters mainly to women customers with average ticket sizes of below c,USD800.00. Financing is uncollateralised but utilises the concept of joint-liability among customers. Customers are categorised based on cycles (1-5) to determine financing limits/sizes.

Buy: Share price may exceed 10% over the next 12 months

Trading Buy: Share price may exceed 15% over the next 3 months, however longer-

term outlook remains uncertain

Neutral: Share price may fall within the range of +/- 10% over the next

12 months

Take Profit: Target price has been attained. Look to accumulate at lower levels Sell: Share price may fall by more than 10% over the next 12 months

Not Rated: Stock is not within regular research coverage

Investment Research Disclaimers

RHB has issued this report for information purposes only. This report is intended for circulation amongst RHB and its affiliates' clients generally or such persons as may be deemed eligible by RHB to receive this report and does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. This report is not intended, and should not under any circumstances be construed as, an offer or a solicitation of an offer to buy or sell the securities referred to herein or any related financial instruments.

This report may further consist of, whether in whole or in part, summaries, research, compilations, extracts or analysis that has been prepared by RHB's strategic, joint venture and/or business partners. No representation or warranty (express or implied) is given as to the accuracy or completeness of such information and accordingly investors should make their own informed decisions before relying on the same.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to the applicable laws or regulations. By accepting this report, the recipient hereof (i) represents and warrants that it is lawfully able to receive this document under the laws and regulations of the jurisdiction in which it is located or other applicable laws and (ii) acknowledges and agrees to be bound by the limitations contained herein. Any failure to comply with these limitations may constitute a violation of applicable laws.

All the information contained herein is based upon publicly available information and has been obtained from sources that RHB believes to be reliable and correct at the time of issue of this report. However, such sources have not been independently verified by RHB and/or its affiliates and this report does not purport to contain all information that a prospective investor may require. The opinions expressed herein are RHB's present opinions only and are subject to change without prior notice. RHB is not under any obligation to update or keep current the information and opinions expressed herein or to provide the recipient with access to any additional information. Consequently, RHB does not guarantee, represent or warrant, expressly or impliedly, as to the adequacy, accuracy, reliability, fairness or completeness of the information and opinion contained in this report. Neither RHB (including its officers, directors, associates, connected parties, and/or employees) nor does any of its agents accept any liability for any direct, indirect or consequential losses, loss of profits and/or damages that may arise from the use or reliance of this research report and/or further communications given in relation to this report. Any such responsibility or liability is hereby expressly disclaimed.

Whilst every effort is made to ensure that statement of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable and must not be construed as a representation that the matters referred to therein will occur. Different assumptions by RHB or any other source may yield substantially different results and recommendations contained on one type of research product may differ from recommendations contained in other types of research. The performance of currencies may affect the value of, or income from, the securities or any other financial instruments referenced in this report. Holders of depositary receipts backed by the securities discussed in this report assume currency risk. Past performance is not a guide to future performance. Income from investments may fluctuate. The price or value of the investments to which this report relates, either directly or indirectly, may fall or rise against the interest of investors.

This report may contain comments, estimates, projections, forecasts and expressions of opinion relating to macroeconomic research published by RHB economists of which should not be considered as investment ratings/advice and/or a recommendation by such economists on any securities discussed in this report.

This report does not purport to be comprehensive or to contain all the information that a prospective investor may need in order to make an investment decision. The recipient of this report is making its own independent assessment and decisions regarding any securities or financial instruments referenced herein. Any investment discussed or recommended in this report may be unsuitable for an investor depending on the investor's specific investment objectives and financial position. The material in this report is general information intended for recipients who understand the risks of investing in financial instruments. This report does not take into account whether an investment or course of action and any associated risks are suitable for the recipient. Any recommendations contained in this report must therefore not be relied upon as investment advice based on the recipient's personal circumstances. Investors should make their own independent evaluation of the information contained herein, consider their own investment objective, financial situation and particular needs and seek their own financial, business, legal, tax and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

This report may contain forward-looking statements which are often but not always identified by the use of words such as "believe", "estimate", "intend" and "expect" and statements that an event or result "may", "will" or "might" occur or be achieved and other similar expressions. Such forward-looking statements are based on assumptions made and information currently available to RHB and are subject to known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement to be materially different from any future results, performance or achievement, expressed or implied by such forward-looking statements. Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
