Avg Daily Turnover (MYR/USD) 0.83m/0.20m

• **Maintain NEUTRAL and MYR0.38 TP, 6% upside.** UEM Sunrise's earnings missed expectations again. Apart from the usual high operating cost structure and finance costs, 4Q21 earnings were also hit by several impairments and write-downs on inventories, projects and investment properties. Despite a higher sales target of MYR1.5bn set for FY22, we think earnings will take time to turn around – especially given the current high building material prices and shortage of labour.

• **4Q21 results.** Earnings continued to disappoint, as 4Q21 numbers were hit by MYR88m in impairments and write-downs (MYR29.2m write-down on Estuari and Symphony Hills, MYR20.6m impairment on Regent Park in East Ledang and a MYR12.8m write-down on Marina Walk). Meanwhile, the construction of key projects such as Residensi Allevia, Residensi AVA, KAIA Heights, Serene Heights and Residensi Astrea are still very much at the early stage of construction. Net gearing crept up to 0.5x as at 4Q21, from 0.4x last year. As a result, total finance costs increased by 9% YoY to MYR144.7m in FY21.

• **Property sales strengthened in 4Q21.** New property sales were at MYR544.7m in 4Q21, vs MYR208.3m in 3Q21. Full-year sales reached MYR1.46bn (vs MYR1.1bn in FY20), surpassing management's target of MYR1.2bn. Residensi AVA Kiara Bay was the biggest contributor, raking in MYR438.4m in sales, followed by Residensi Allevia MYR215.7m. The newly launched KAIA Heights in Equine had a 37% take-up rate, contributing MYR125.1m in sales. Management has successfully brought down unsold completed inventory to MYR397m, from MYR425m in 3Q21.

• **A higher sales target of MYR1.5bn.** UEMS plans to roll out MYR3.3bn worth of projects in FY22. The key projects include Taman Connaught Cheras (GDV: MYR550m), the next two blocks of KAIA Heights and MK31 (indicative GDV: MYR740m) and, potentially, the Collingwood project in Australia (GDV: MYR790m). The launch of Taman Pertama Cheras will be delayed, as the project is still pending some approvals from the Cabinet on potential land acquisition by MRT Corp.

• **Further cut in earnings.** We maintain our FY22-23 earnings forecasts. We think earnings will take time to turn around. The stubbornly high building material prices would make cost-cutting efforts even more challenging. 4Q21 unbilled sales increased to MYR2.4bn, vs MYR2.2bn in 3Q21.

• **ESG.** Based on our in-house proprietary methodology, we derived an ESG score of 3.1 for UEMS. Our revised TP includes a 2% ESG premium, based on an unchanged 85% discount to our adjusted RNAV.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Thailand

This report is issued and distributed in the Kingdom of Thailand by RHB Securities (Thailand) PCL, a licensed securities company that is authorised by the Ministry of Finance, regulated by the Securities and Exchange Commission of Thailand and is a

member of the Stock Exchange of Thailand. The Thai Institute of Directors Association has disclosed the Corporate Governance Report of Thai Listed Companies made pursuant to the policy of the Securities and Exchange Commission of Thailand. RHB Securities (Thailand) PCL does not endorse, confirm nor certify the result of the Corporate Governance Report of Thai Listed Companies.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S. broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for distribution to, or use by, persons other than the recipient and its employees, agents and advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.
